Dear Friends,

The People of the Lutheran Church of the Good Shepherd Church community are committed to sharing our blessings with others to help and support the care and ministry of organizations serving the Children of God.

We would like to make you aware that each July we will make an annual gift of just over \$8,200 to a non-profit/charitable organization. This gift is to be used for capital improvement projects only with the purpose of enhancing the services the organization provides. This project should be ready to begin and be completed (or nearly completed) within a year's time of receiving the gift. Priority will be given to instances where the gift would provide a significant portion of the overall of the overall budget for the project. Upon completion, the Church's Missions Committee would appreciate the ability to visit your organization to see the project in action.

If your project meets these basic requirements, we invite you to answer the enclosed questions, helping us to better understand your needs. This document should be completed and returned electronically or by mail by June 1, 2023.

We thank you sincerely for your interest in this program. Please contact the Rev. Christopher Buresh (708-448-4170) with any further questions.

May God continue to bless your ministry.

Sincerely,

Pastor Chris Buresh on behalf of the Good Shepherd Missions Committee
